

G80 EYE BOLT

DESCRIPTION & FEATURES

- **High Load Capacity:** G80 lifting eye bolts are designed to handle significant loads, with capacity ratings clearly specified based on the bolt size and material.
- **Threaded Shank:** These eye bolts feature a threaded shank for secure attachment to various surfaces, ensuring a strong and stable lifting point.
- **Forged Steel Construction:** Made from high-quality forged steel, G80 lifting eye bolts offer excellent durability and resistance to wear.
- **Compliance with Standards:** Manufactured according to G80 standards, these lifting eye bolts ensure consistent quality and performance.

G80 EYE BOLT
